

AVAST! YE MATES - 2011 CASINO NIGHT IS MAY 14!

Casino Night is an important fund raising event for your Chamber. Support the event with table sponsorships, silent auction items, and ticket sales. Let Casino Night chairs DEAN ECHOLS (636-1700) or SUSAN TOBEY (830-0687) know how you can contribute to the event.

The ticket price gains admittance and chips for fun at the gaming tables, appetizers, prizes, and surprises. Bring your friends, family, and co-workers for an evening of fun and support of the Chamber.

APS PRINTS RACK CARDS

The Chamber thanks ARIZONA PUBLIC SERVICE for donating the printing and TOM PAYNE of Tom's

Print & Sign for doing the graphics of new rack cards. The Chamber is a designated Local Visitor Information Center (LVIC) and the rack cards are sent to other LVIC's to give visitors, new residents, and businesses a brief sampling of what Chino Valley has to offer.

HEALTH & BUSINESS EXPO MOST SUCCESSFUL TO DATE

The success of an event is measured by the number of persons attending it. With that as the criteria, the 2011 Health & Business Expo was the most successful so far. Booths were sold out with a waiting list of vendors hoping for a cancellation. And, it is estimated that 1,500 people attended the event. Comments about the Expo from vendors indicated how pleased they were with the results.

No Chamber event is successful without dedicated volunteers. Thank you to the individuals who made up the Expo Committee: DAVE BARRETT, ANGIE INGRAO, BRIAN PETROVICH, LARRY ANDERSON, CINDY TURNER, and TOM PAYNE. Set up and tear down of the gym took many volunteers who pitched in to get the job done. Special thanks to: HERITAGE MIDDLE SCHOOL, GUIDANCE HELICOPTERS, BOOTS & BUSTLES, BRUCE'S LOCO DOGS, and PRESCOTT TRUE VALUE.

Mission Statement:

*To promote economic growth,

quality of life for Chino Valley.*

ON CAMPGROUNDS & CANDIDATES

by
Ab Jackson, CEO

You may recall the movie “*Hoosiers*.” It was a movie about a small school from Hickory, Indiana, and how the basketball team reached the state finals, beat a much bigger school, and brought the community together in a special way. It was also about how a team can come together when all

players contribute. Even the equipment manager made important points to insure Hickory’s success.

I have just finished a terrific new book, *Surviving Your Serengeti*, by Stefan Swanepoel. In his introduction, Swanepoel reminds us that:

- Everyone can survive his or her own personal Serengeti, no matter the challenges.
- No journey is ever too long.
- Nothing is impossible.

Survival is important for our community. Last year the Chino Valley Town Council approved the project on Highway 89 that will become the KOA Campgrounds. Prior to the council’s approval, the Board of the Chamber overwhelmingly voted to support that project. The KOA at 45% occupancy can produce over \$6 million in revenue to the businesses of Chino Valley according to Charlie Arnold, project consultant. Arnold further points out that at 45% occupancy the KOA can produce over \$250,000 in sales tax revenue to the town, replacing about 1/3 of the current loss due to population drop. And, during construction over 100 people will have work. When it is fully operational the KOA will be the source of around 10 jobs in a community where the average business size is less than ten employees. During community events like contests at the coming shooting range, the Prescott Kennel Club Annual Dog Show, Territorial Days, soccer and other sporting events, the KOA should be at much better than 45% occupancy. Others may challenge the numbers, but the positive impact of the KOA will be significant.

With a looming deficit in state funding based on our recent census; Chino Valley will need every dollar we can get to survive our own Serengeti, and the KOA will provide lots of those dollars. The Chamber urges a “YES” vote on Proposition 401.

It is equally important during this election to ensure that we have leaders on Council who support the business community. As you all know the

mission statement of the Chino Valley Area Chamber of Commerce is: to promote economic growth, serve as a voice for the business community, and enhance the quality of life for Chino Valley. As you vote ask yourself, “Will this candidate support interests of the Chino Valley business community?”

I hope all of you can attend this year’s Casino Night-Pirates of the Caribbean. We will be at the beautiful Windmill House for an evening of fun and fundraising on Saturday, May 14. See the bulletin in this newsletter for all the details. Wear your pirate’s costumes, enjoy complimentary appetizers, play the gaming tables and help us raise funds to continue to serve the members of our Chamber.

Eric Spurgeon has had to step down as Director of Volunteers for a while. Eric helped to coordinate our office volunteers program (now over 10 per week), our Event Volunteers (who were especially appreciated during the Business Expo), and our grounds volunteers. Eric has been a fabulous addition to our organization and we hope to see him come back some day. During Linda’s illness Eric took a major leadership role at the Chamber. Thanks, Eric.

Thanks to all of you who supported the Health/Business Expo last month. The committee led by Dave Barrett the past two years did a fantastic job: 60 exhibitors in all. The Review reported around 1,500 in attendance. Great job, Dave!

In *Surviving Your Serengeti*, readers are asked to evaluate their animal-survival type. Are you like the wildebeest that rely on stubborn endurance? Or, are you the optimistic alligator, the ruthlessly efficient cheetah, the graceful giraffe, the strategic lion, the risk-taking mongoose, or the communications expert-the elephant? Get the book for your leadership library and go rent “*Hoosiers*.” . . .SHOP LOCAL.

BUSINESS LUNCHEON

At the March Business Luncheon ARIZONA HIGHWAY SAFETY SPECIALISTS was recognized as the March Business of the Month. If you see a guardrail along one of Arizona's highways it may very well have been placed there by Arizona Highway Safety Specialists. AHSS has been a long time supporter of the Chamber and the community. Pictured below is Jim McCown accepting the plaque on behalf of the company from Board President John Morgan.

THANK YOU to DR. RAY POLVANI from the Mountain Institute JTED for being guest speaker at the March Business Luncheon. Dr. Polvani is pictured below receiving a Chamber mug from Ab Jackson.

The Business Expo Committee was recognized for its hard work on a great event. In the next column pictured left to right is the committee: DAVE BARRETT, TOM PAYNE, ANGIE INGRAO, BRIAN PETROVICH, LARRY ANDERSON, and CINDY TURNER. Pictures of the Expo itself are found on page 6.

The Luncheon attendees are pictured below. Are you in the picture? It was be second best attended luncheon so you probably are!

MARCH MIXER HOSTED BY CHINO FIRST

The Windmill House was the setting, the food was great (corn beef and cabbage in honor of St. Patrick's Day), fun door prizes from our terrific members, and the wearing of the green. (Does this mean Dean Echols is the world's largest leprechaun?) See some of the attendees in the pictures that follow.

Pictured above - some of our hosts (in T-shirts) for the Mixer - WENDY MCMANIGAL, SUSAN TOBEY, and TOM PAYNE. Other pictures can be found on the next page.

Did you know the Chamber keeps a list of businesses wishing to host a mixer in 2012? Contact the Chamber if you want to be a host next year. First consideration to those who haven't hosted the past two years.

Dean was a great leprechaun!
